

MEDALS FOR BOYS OF WORKING RESERVE

Uncle Sam Shows His Appreciation of the Soldiers of Hoe and Spade for Wartime Service.

READY TO BE DISTRIBUTED

Will Be Called on Again for Work of the Coming Summer to Save the Crops.

The services of the young boys of Oklahoma who were sent to fight in France, but not to suffer, are being appreciated by the government. The government at Washington has decided to award a medal to each of the boys who served in the trenches during the war. The medals will be awarded to the boys who served in the trenches during the war. The medals will be awarded to the boys who served in the trenches during the war.

Overland Has Battalion of Returned Soldiers

Six hundred and fifty soldiers and sailors, released from military service, have returned to their places at the bench, lathe, or desk in the plant of Willis-Overland, Inc., at Tulsa.

This became known recently when this number in uniform marched in a parade honoring the 329th infantry regiment, just returned from overseas.

INFLUENZA MAY LAST UNTIL SPRING

A Total of 400,000 Deaths May Be Reached if the Flu Continues Until Warm Weather.

It is the opinion of many prominent physicians that the epidemic will not be halted until warm weather. If the death rate continues as it has, the total number of deaths will be terrible.

THINGS THAT SHOULD BE DONE

If you contract the disease, call the doctor, but as a preventive, use a good gargle. Apply a small quantity of camphorated vasoline, or something similar, in the nostrils with the finger, also apply liberally to the throat externally, and also the chest at retiring at night. The most important of all is to keep the bowels open, and the liver to acting. If this is done the system will have the power to resist disease. The first step in treating most any ailment is to give a good purgative, and when we sleep to think that about a hundred of all diseases is caused from constipation, and inactive liver. We can make a new purgative this is called Saturated Lime Tablets, and these are the best. They are small, don't hurt, and are easy to take. They are the best. They are the best. They are the best.

APPLYING THIS PASTE ACTUALLY REMOVES HAIRS

Merely applying an inexpensive paste to a hairy surface, say beneath the arms, will remove the hairs. This paste is made by mixing a little water with some powdered delatone. After about 24 hours it is rubbed off and the skin washed. The simple method not only removes every trace of hair, but leaves the skin free from blemish. To insure success with this treatment, be careful to get the delatone. —Adv.

Thought 3 Little Children Needed Mother's Care

"My stomach suffering was so severe that I could not have lasted much longer. I did not care so much for myself but did not want to leave my three little children who needed a mother's love and care. A woman in California wrote me about May's Wonderful Remedy and I took a course of it. I have since been entirely well. It is a simple, harmless preparation that removes the catarrhal toxins from the intestinal tract and allows the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One does not continue or become retarded. Quaker and Puritan Drug Companies.—Adv.

Automobiles Provide Passenger Travel

The noticeable change of attitude toward municipal ownership in the city of Tulsa, Oklahoma, is being made by the automobile.

Considerable evidence of the change in attitude is shown by the fact that the city of Tulsa, Oklahoma, is being made by the automobile.

A half hour spent in any large industrial plant, at night, will show the change in attitude toward municipal ownership in the city of Tulsa, Oklahoma, is being made by the automobile.

RACINE

MULTI-MILE CORD TIRES

Greatest of Mileage Values

Greater Mileage, Comfort and Economy. That's what Racine Absorbing Shock Strip gives to Racine Multi-Mile Cord Tires.

Racine Absorbing Shock Strip, developed by Racine Rubber Company chemists, welds tread and carcass perfectly. It is an extra strip of rubber scientifically blended to equalize the flex of body and tread. It absorbs road shocks.

It eliminates danger of tread and carcass separation. Racine Multi-Mile Cord Tires are

Extra Tested

Every ordinary precaution plus the many Racine Extra Tests make the Racine Multi-Mile Cord tire of true Extra Tested quality. Thousands of rubber lined cords permit a flexibility insuring greater tire mileage—greater riding comfort.

The Racine Absorbing Shock Strip is an extra strip of blended rubber of graduated resiliency uniting the tough rubber of the tread to the rubberized cord fabric carcass of the tire.

The perfect welding of tread and carcass through a scientifically constructed neutralized zone insures absorption of road shocks and elimination of danger of tread and carcass separation. That's the why of the added miles of service.

Big Dividends In Extra Mileage

Non-skid tread design gives an assurance and certainty to Racine Multi-Mile Cords over all pavements and roads. Bevelled edges of the tread hold your wheels true to their course. Racine Multi-Mile Cord means tire economy. This tire will pay you big dividends in extra mileage.

For Your Own Protection Be Certain Every Racine Tire You Buy Bears the Name
